

JOB DESCRIPTION: General Labor for Super Bowl XLVI

GENERAL LABOR WORKER

This assignment is a 9 hour day with a 15 minute break (usually at 11am) and an hour unpaid lunch break (usually at 1pm).

General labor will be used for unloading trucks, moving our decor for event set-up, assisting with event set-up, breakdown of events, loading trucks, setting chairs, and clean-up, among other misc. things. Our décor is similar to theatre stage sets and comes off of semi-trucks in pieces that need to be put together. The crew that works with us must be comfortable with physical work, willing to do a little bit of everything and have a positive attitude.

We ask that as much as possible the crew throughout our schedule remain consistent – as this is a tremendous help for us. It is good for the work relationship with our crew and familiarity with the work site.

Additionally, it is very important that **all personnel on-site conduct themselves in a professional and courteous manner**. We cannot tolerate any unprofessional or inappropriate behavior. All crew must be **dressed appropriately (no revealing clothing, no tank tops, not open toe shoes, no torn clothes, no extremely loose clothes (for safety reasons) and no offensive language on clothing)** and if they have gloves or other safety items for physical work they should bring it.
